M0296 RM Pending Gift	CARTE GENERALE D'EMPIRE DE RUSSIE ET DE TARTARIE GRANDE ET PETITE EN EUROPE ET ASIE. Engraved map of Asia, with color/wash (looks like additional outlines were painted over later in reddish orange paint), with many place names. Decorative cutaway in bottom right corner showing scales. Decorative cutaway in top left corner with the French title. Decoratively illustrated cartouche in bottom left corner has a past-over title and attributions fit over top of the original engraved title. The pasted title reads: "Tartariae Maioris sive Asiaticae Tabvla quae praesertim complectit Tartariam Russicam, Tartariam Sinensem et Tartariam Independentem sive Reliquam ex recentissimis et probatissimis monumentis et relationibus concinnata, et ad legitimas projectionum geographicarum regulas plane exacta opera... 1730." The title underneath reads: "Imperii Russici Tatariae Universae tam majoris et Asiaticae quae...". This was formerly bound, and the plate has a note underneath, "Notati etiam in hac mappa extant limites inter Russiam et Tatariam minorem post pacem recentissime Ao 1739 initam," which is strange, because that means that it is showing the prominent boundaries between Russia and Tatar Minor after recent peace treaty entered in 1739, but the paste-over title claims it was published in 1730.	Homann Erben	1730? 47.5 x 54 cm
